

when i look at the world

a biblical examination of today's social & political issues

# Sharing Truth in a Culture of Doubt: Engaging the Skeptic

# If Bible = Truth, then:

- There is a God
- The World is broken
- We are broken
- Jesus came to restore us
- He died and rose again

# Obstacles:

- Is there a God?
- Why not other religions?
- Can you trust the Bible?
- Miracles... really? C'mon!
- Political Conflicts
- "I believe in science!"
- Reason, Logic and Philosophy

# Things to Remember:

- Love the person – be relational
- Rely on Spirit, not self confidence
- Power of Prayer
- Power of God's Word
- Don't get sidetracked
- Listen well
- Ask good questions

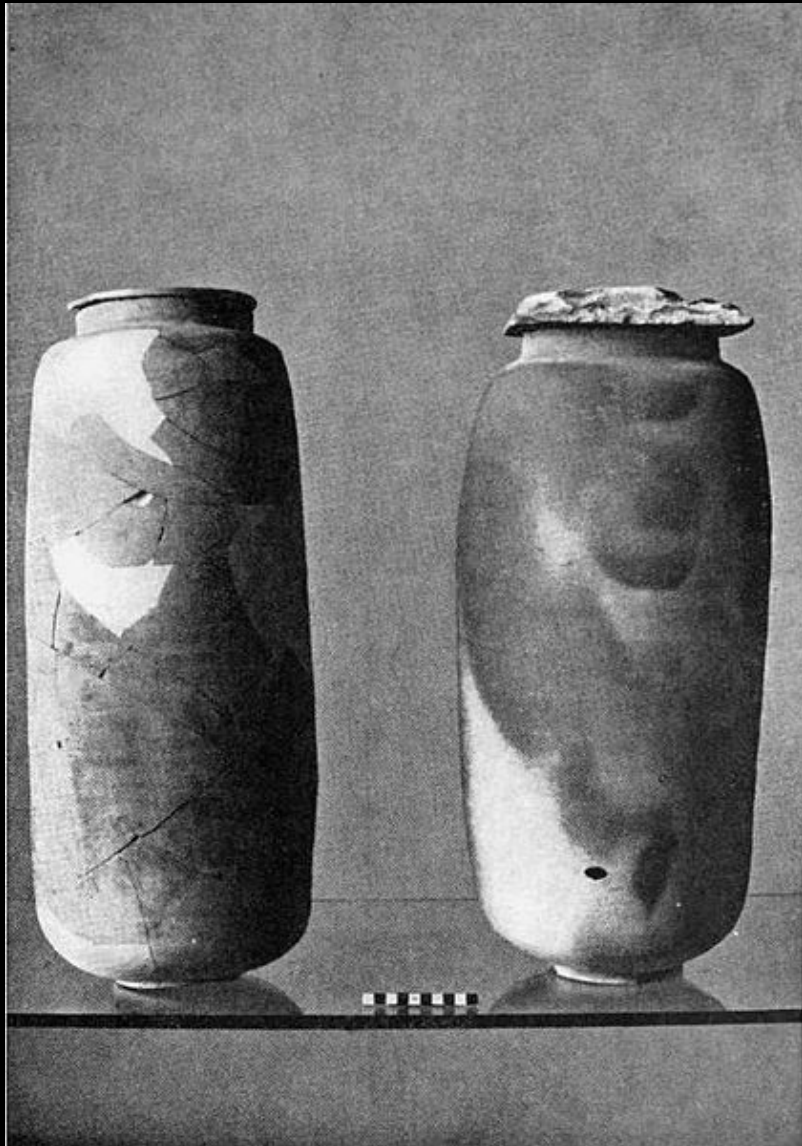

Do you have a soul?

- What about science?

Quantum mechanics is certainly imposing, but an inner voice tells me that it is not yet the real thing. The theory says a lot, but does not really bring us any closer to the secret of the old one. I, at any rate, am convinced that He does not throw dice.
