### Youth Group

We gather as a large group to worship together, hear the scripture taught, and spend time with one another. These are great nights to invite friends to join!

### Home Groups

We meet in offsite home groups to form friendships in a smaller setting and dig deeper into the Scripture together. These are led by our youth staff and parent leaders.

### Wednesday Night Winter Series

We will be studying through the book of James. Our goal is that the students would grow in spiritual maturity and wisdom. This book will aid us in that goal by teaching what it looks like to grow from mere hearers of the Gospel into effectual doers, living in active obedience.

### Sunday Classes

We meet in The Park (East Wing) at 10:00am.

We are continuing our series walking through each book of the Old Testament.
